

QUALITY REMARK: AEPD

QUALITY REQUIREMENT NO. 230

IN ADDITION TO THE MARKING SPECIFIED BY THE DRAWING OR SPECIFICATION, MARK EACH PART WITH THE LETTER L BELOW THE DESIGNATED MARKING AREA. IF SPACE DOES NOT PERMIT, THEN MARK ADJACENT TO, BUT SEPARATE FROM, THE PART NUMBER/SERIAL NUMBER MARKING. WHERE IT IS IMPRACTICAL TO APPLY THE L WITH THE SAME MARKING METHOD, CONTACT THE PURCHASER FOR DIRECTION CONCERNING WHAT METHOD TO USE. WHERE THE PART IS TOO SMALL OR FRAGILE, MARK THE CONTAINER WITH THE LETTER L . WHEN THE PART DRAWING/SPECIFICATION REQUIRES INDIVIDUAL PACKAGE MARKING (PART NUMBER, SERIAL NUMBER, ETC.), THE PACKAGE MARKING SHALL ALSO INCLUDE THE LETTER L . THE SHIPPING CARTON THAT CONTAINS THESE PARTS SHALL ALSO SHOW THE LETTER L AFTER THE PART NUMBER.
