SHIPMENT PRIOR TO DESIGN TEST COMPLETION

WHEN DESIGN ASSURANCE TESTING (DAT), FLIGHT CLEARANCE TESTING (FCT), OR OTHER DESIGNATED DESIGN TESTING ARE REQUIRED BY GE DRAWING OR GE DESIGN SPECIFICATION (DESIGN TESTING), AND SELLER AND PURCHASER HAVE AGREED IN WRITING ON THE ESTIMATED DESIGN TESTING COMPLETION DATES, SELLER MAY SHIP FINISHED PARTS WHICH HAVE PASSED ALL INSPECTION AND ACCEPTANCE TESTS PRIOR TO THE DESIGN TESTING COMPLETION DATES. IF ADDITIONAL TIME TO COMPLETE THIS DESIGN TESTING IS LATER DETERMINED TO BE REQUIRED, SELLER MUST REQUEST AN EXTENSION IN WRITING FROM PURCHASER. THIS SHIPMENT PERMISSION IN NO WAY RELIEVES THE SELLER OF RESPONSIBILITY TO REWORK/REPLACE PARTS IN THE EVENT OF PROBLEMS OF FAILURES EXPERIENCED DURING DESIGN TESTING.
