

QUALITY REMARK: AEPD
REQUIREMENT NUMBER 748

SHIPMENT PRIOR TO DESIGN TEST COMPLETION
WHEN DESIGN ASSURANCE TESTING (DAT), FLIGHT CLEARANCE TESTING (FCT), OR
OTHER DESIGNATED DESIGN TESTING ARE REQUIRED BY GE DRAWING OR GE DESIGN
SPECIFICATION (DESIGN TESTING), AND SELLER AND PURCHASER HAVE AGREED IN
WRITING ON THE ESTIMATED DESIGN TESTING COMPLETION DATES, SELLER MAY
SHIP FINISHED PARTS WHICH HAVE PASSED ALL INSPECTION AND ACCEPTANCE
TESTS PRIOR TO THE DESIGN TESTING COMPLETION DATES. IF ADDITIONAL TIME
TO COMPLETE THIS DESIGN TESTING IS LATER DETERMINED TO BE REQUIRED,
SELLER MUST REQUEST AN EXTENSION IN WRITING FROM PURCHASER. THIS
SHIPMENT PERMISSION IN NO WAY RELIEVES THE SELLER OF RESPONSIBILITY TO
REWORK/REPLACE PARTS IN THE EVENT OF PROBLEMS OF FAILURES EXPERIENCED
DURING DESIGN TESTING.
