

REQUIREMENT ES18, REV. DATE June 29, 2012

Procurement of Hardware external to GE

This Purchase Order (quotation) is for parts that have been manufactured and/or approved by the original equipment manufacturer (OEM) and have been maintained in accordance with OEM technical documentation and recommendations. GE and/or Snecma-approved parts include PMA parts produced under a licensing agreement with GE and/or Snecma (which are listed by part number in the Illustrated Parts Catalog).
