

Requirement G69

Revision October 09, 2000

GE Accessory Services Inc. Repair Unit(s) required Turn Around Time (TAT):

The Purchaser requires that the unit(s) to be repaired listed on this purchase order be repaired by the Seller and shipped to GE Accessory Services Inc. (GEASI) or to the designated "ship to" address within 20 calendar days of receipt of this order or provide GEASI the option to accept an exchange unit(s) of equal or better configuration, condition, and value within the same time period.
