Any acceptance of this purchase order is limited to acceptance of the express terms of the offer set forth in this purchase order. Any proposal for additional or different terms or any attempt by Seller to vary in any degree any of the terms of this offer in Seller's acceptance or acknowledgement is hereby objected to and rejected, but such proposal shall not operate as a rejection of this offer unless such variances are in the terms of the description, quantity, price or delivery schedule of the Goods but shall be deemed a material alteration thereof, and this offer shall be deemed accepted by the Seller without said additional or different terms. If this purchase order shall be deemed an acceptance of a prior offer by Seller, such acceptance is limited to the express terms set forth in this purchase order.
3. DISPUTE RESOLUTION:
 - (a) Except as specifically provided for in paragraph (h) below, the parties intend to forsake litigation and resolve with finality any and all disputes arising under or related to this purchase order exclusively by the process identified in this article. This article shall remain effective in the event that a petition in bankruptcy is filed by or against a party to this contract or order, or if a party makes an assignment for the benefit of creditors, or if any other insolvency proceeding is commenced against a party. Invocation of this paragraph shall not relieve either party of any obligation, right or duty of performance arising under or related to any purchase order.
 - (b) Any and all disputes, controversies or claims arising under or relating to this purchase order or the breach, termination or invalidation thereof shall, upon written notice, be referred to a senior management representative from each of the parties who will confer in good faith to attempt to resolve the matter. The party sending the first written notice (the "Initial Notice") shall (1) set forth in detail all of its claims or issues in dispute and (2) designate its representative. The other party shall have 5 business days to designate its representative and add any other issues or claims for resolution not identified in the Initial Notice. The representatives shall have 30 days from the date of

the Initial Notice to resolve the issues identified in the notices. Each party will be permitted to take the deposition of one individual, limited to no longer than four hours. No other discovery shall be conducted except by the written agreement of both parties. All fees and expenses of the arbitration shall be shared equally by the parties. However, each party shall bear the expense of its own counsel, experts, witnesses, and preparation and presentation of proofs. The arbitrator shall have no authority to award punitive or other damages beyond the prevailing party's actual damages and shall not, in any event, make any ruling, finding, or award that does not conform to the terms and conditions of the order. The arbitration award shall be in writing and shall specify the factual and legal basis for the award. The right to appeal the award shall be governed by New York law, and any such appeal shall be brought in a court of competent jurisdiction located in Cincinnati, OH.
 - (e) Either party may at any time, without inconsistency with this order, seek from a court of competent jurisdiction located in Cincinnati, Ohio, any equitable, interim or provisional relief only to avoid irreparable injury.
 - (f) The parties intend all statements made and documents provided or exchanged in connection with this dispute resolution process to be confidential and neither party shall disclose the existence or content of the dispute or claim, or the results of any dispute resolution process, to third parties other than outside counsel, except with the prior written consent of the other party or pursuant to legal process.
 - (g) The parties may by written mutual consent agree to dates and times other than those set forth in this article.
 - (h) The provisions of this article shall not modify or displace the procedures specified in Article 25, Termination for Convenience. In addition, this article shall not apply to and will not bar litigation regarding any claims related to a party's proprietary or intellectual property rights.
4. **PACKAGING REQUIREMENTS** Packaging requirements are contained in GEAE Standard Remark E12 listed on this purchase order.
5. **TRANSPORTATION:**
- (a) Unless otherwise stipulated on the face of this purchase order, Goods covered by this purchase order shall be shipped "F.O.B. Destination," as defined by the NYUCC, transportation charges must be prepaid by Seller. In any event, title to said Goods shall pass to Purchaser on the title passage date (earlier of the Manufacturing Required Date (MRD) or the use date, unless Goods are delinquent to the MRD, in which case title passage shall occur upon arrival of such Goods at the specified delivery location). Purchaser insures all Goods for which it accepts risk of loss while such Goods are in transit. Therefore, Seller shall not declare any insurance value on such Goods shipped via any carrier.
 - (b) Seller shall release rail or truck shipments at the lowest released valuation permitted in the governing tariff or classification. No charges for unauthorized transportation will be paid by Purchaser. Any unauthorized shipment which results in excess transportation charges must be fully prepaid by the Seller. If Seller does not comply with the stated delivery schedule, Purchaser may, in addition to any other right which Purchaser may have, require delivery by fastest way. The charges resulting from this mode of transportation must be fully prepaid and the full cost of the shipment must be absorbed by the Seller.

- (c) If Seller is required by Purchaser to deliver Goods or materials ordered hereunder to GEAE Dock Code 1E, the terms and conditions in (a) and (b) above are applicable, except as modified below:

Unless otherwise stipulated on the face of this purchase order, Seller shall ship Goods covered by this purchase order to the Supplier Distribution Center (SDC) designated by Purchaser. Purchaser shall be responsible for the transportation charges for shipment of Goods from Seller's facility to the SDC. However, charges for unauthorized transportation or shipments of Goods shall be the responsibility of Seller. Seller shall assume risk of loss for Goods ordered hereunder while such Goods are in transit from Seller's facility to the SDC, after which risk of loss for such Goods shall transfer to the SDC. Title to Goods ordered hereunder shall pass from Seller to Purchaser upon delivery of such Goods from the SDC to Purchaser's facility. If Seller does not comply with the stated delivery schedule, Purchaser may, in addition to any other right which Purchaser may have, require delivery by fastest way and charges resulting from this mode of transportation must be fully prepaid and absorbed by Seller.

6. ANTICIPATION OF DELIVERY SCHEDULE: Unless otherwise agreed to in writing, Seller shall not make material commitments or production arrangements in excess of the amount or in advance of the time necessary to meet firm schedules and those planned schedules that are within lead time.
7. DELAY AND DEFAULT: In the event Seller for any reason anticipates any difficulty in complying with the required delivery date or any of the other requirements of this purchase order, Seller shall promptly notify Purchaser in writing. In the event of a delivery delay, non-delivery or any other default by Seller in meeting the requirements of this purchase order, Purchaser may terminate this purchase order without further compensation to Seller, and Purchaser's rights will be as specified in the New York Uniform Commercial Code. If progress payments have been made under this purchase order, and the purchase order is terminated for default, Purchaser shall have the rights of the US Government set forth in FAR 52.232-16 Progress Payments, including paragraph (h), "Special Terms Regarding Default."
8. PURCHASER'S PROPERTY:
- (a) All tangible and intangible property, including but not limited to tools, tool drawings, materials, drawings, computer software, documents, information or data of every description furnished to Seller by Purchaser or specifically paid for in whole or in part by Purchaser, and any replacement thereof, or any materials affixed or attached thereto, shall be and remain the personal property of Purchaser, and, unless otherwise agreed to in writing by Purchaser shall be used by Seller solely to render services or provide products to Purchaser. Such property, and whenever practical each individual item thereof, shall be plainly marked or otherwise adequately identified by Seller as being the property of General Electric or Purchaser's designee, and shall be safely stored separate and apart from Seller's property. Seller shall not substitute any property for Purchaser's property and shall not use such property except in filling Purchaser's purchase orders. Such property while in Seller's custody or control shall be held at Seller's risk and shall be insured by Seller for replacement cost with loss payable to Purchaser. Such property shall be subject to removal at Purchaser's written request, in which event Seller shall prepare such property for shipment and shall deliver it as directed by Purchaser in the same condition as originally received by Seller, reasonable wear and tear excepted, all at Seller's expense. The foregoing shall not be deemed to affect the rights, if any, of the Government in any such property or to grant any rights to Purchaser in conflict with DFARS 252.227-7013, Rights in Technical Data Noncommercial Items, DFARS 252.227-7014 Rights in Noncommercial Computer Software and Noncommercial Computer Software Documentation, or DFARS 252.27-7015 Technical Data-Commercial Items.
- (b) Purchaser hereby grants Seller a license to use the drawings, specifications (including Purchaser's 'S' specifications), computer software, and other data (hereinafter collectively referred to as "Data") furnished or paid for by Purchaser hereunder for the sole purpose of performing this order for Purchaser. All Data is the property of Purchaser and shall not be used, disclosed to others or reproduced for any purpose, including, but not limited to, the design, manufacture or repair of parts or to obtain FAA or other Government approval to do so; provided; however, Seller may provide Data furnished or paid for by Purchaser hereunder to Seller's contractors for the sole purpose of enabling Seller's contractors to assist Seller in performing this purchase order for Purchaser and on condition that Seller's contractors agree in writing for Purchaser's benefit to the terms of paragraphs 8 and 10 and Appendix III hereof. This license is nonassignable, and this license is terminable with or without cause by Purchaser at any time. All Data furnished or paid for by Purchaser shall be deemed to be proprietary property to Purchaser, whether or not it is marked with any restrictive legend.

- (c) Purchaser shall have the right to audit all pertinent books and records of Seller, and to make reasonable inspections of Seller's facilities to verify compliance with section 8b above and Appendix III.
- (d) In the event Seller, without Purchaser's prior written consent and authorization, designs or manufacturers for sale to any person or entity other than Purchaser any hardware that is substantially similar to or can replace or repair a GE or CFMI part, or obtains FAA or other governmental approval for such hardware or repair, the Seller, in any adjudication involving or relating to Purchaser's Data, shall be required to establish by clear and convincing evidence that neither Seller nor any of its employees, contractors or agents used in whole or in part, directly or indirectly any of Purchaser's Data in such design or manufacture or in obtaining FAA or other governmental approval with respect to such hardware or repair.
- (e) In the event Seller is notified by Purchaser that Goods ordered under this purchase order are patented, Seller agrees to mark such Goods with any patent numbers or other markings designated by Purchaser, including updates to such numbers or markings.

9. CHANGES:

- (a) Purchaser, at any time, shall have the right to make changes in the quantities, specifications or delivery schedule.

Any such change, which has a significant impact, shall entitle either Seller or Purchaser to an equitable adjustment. However, no additional charge will be allowed unless authorized by Purchaser's written amendment to this purchase order. Information, such as technical direction or guidance provided to Seller by representatives of the Purchaser in connection with the Seller's performance of this purchase order, shall not be construed either as a change within the meaning of this provision or as direction to proceed outside the scope of this order.

If Seller considers that the conduct of any of Purchaser's employees has constituted a change hereunder, Seller shall notify Purchaser immediately in writing as to the nature of the change and its effect on Seller's performance including delivery schedule and the amount to be paid to Seller. In any event, the maximum liability of the Purchaser for obsolescence scrappage, and/or rework resulting from any change shall be limited to the value of the materials and parts in process at the time of the change, to the extent that such parts are within Seller's normal manufacturing cycle required to meet the established released schedule.

- (b) Changes in the released schedules will be communicated to the supplier via the part schedules report which will be mailed to the supplier periodically, transmitted via EDI, or made available via a web based application. The part schedules report may reflect both firm released and planning quantities.
- (c) Class II engineering changes not resulting in a part number change will be flowed to the supplier via the Class II design change transmittal letter as changes occur. The Class II design change transmittal letter will contain incorporation/exception directions, and is considered a change in accordance with this Article 9.

Nothing in this clause 9, including any disagreement with Purchaser as to the equitable adjustment to be made, shall excuse Seller from proceeding with the order as changed.

10. SELLER'S INFORMATION: Notwithstanding any document marking to the contrary, any knowledge or information which Seller has disclosed or may hereafter disclose to Purchaser incident to the placing and filling of this purchase order shall not be deemed to be confidential or proprietary information and accordingly Purchaser shall not be liable for any use or disclosure thereof.

11. ASSIGNMENT AND CHANGE IN OWNERSHIP:

- (a) Any assignment or attempt to assign this order without the advance written consent of Purchaser shall be null and void and shall give Purchaser the right to terminate this order for default under Article 7.
- (b) If a third party submits a solicited or unsolicited offer to Seller that would result in a Change of Ownership or Control of Seller, as defined below, Seller shall give notice of such offer to Purchaser as early as commercially practical following Seller's receipt of the offer. The notice shall include the identity of the offeror, the date and time of the offer and the conditions of the offer. Before Seller accepts the offer, it shall give Purchaser an opportunity, within a reasonable time, to advise Seller of its objection to the offer. If despite Purchaser's objections,

the Change in Ownership and Control occurs, Purchaser has the right at its discretion to terminate this purchase order for default under Article 7 at no cost to Purchaser. In the event of such termination, Seller agrees to render full cooperation to Purchaser in order to minimize disruption to the Purchaser's program. Pending termination or in lieu of termination, Purchaser may require Seller to provide adequate assurance of performance, including, but not limited to the institution of special controls regarding the protection of Purchaser's proprietary information."

For purposes of this sub-paragraph (b), the terms "Change in Ownership or Control" shall mean any of the following: i) the sale of equity shares controlling 20% or more of the voting rights in Seller or Seller's parent, ii) the sale, lease, transfer or other disposition of substantially all of the assets of Seller or Seller's parent, iii) a merger, reorganization, consolidation, share exchange, recapitalization, business combination, liquidation or dissolution or similar transaction, iv) a tender offer or exchange offer for any of the outstanding shares of capital stock of Seller or Seller's parent, v) a sale by Seller of the assets relating to the product Seller produces or will produce for Purchaser or vi) any public disclosure of a proposal or plan or intention to do any of the foregoing.

12. SET-OFF: Purchaser shall be entitled to set off any amount owing from Seller to Purchaser or to any of Purchaser's affiliated companies against any amount payable under this purchase order.
13. WORK ON PURCHASER'S OR ITS CUSTOMER'S PREMISES: If Seller's work under this purchase order involves operations by Seller on the premises of Purchaser or one of its customers, then:
 - (a) Seller shall comply with all of Purchaser's safety and security procedures and shall take all necessary precautions to prevent the occurrence of any injury to person or property during the progress of such work. Seller shall maintain such public liability, property damage and employees liability and compensation insurance as will protect Purchaser from said risks and from any claims under any applicable workers' compensation and occupational disease acts, and upon Purchaser's request provide Purchaser proof of such insurance.
 - (b) Seller agrees that all of its employees whom may require access to Purchaser's or its customer's premises to perform work pursuant to this order shall be tested and certified (in writing) to be free from the following illegal or unauthorized drugs prior to being assigned to perform such work: cannabinoid metabolites (marijuana) opiate derivatives (heroin, morphine, codeine)cocaine metabolites (benzoylecgonine, ecgonine) amphetamines (methamphetamines) phencyclidine.

In addition, such drug tests shall include screening for prescription drug use. In the event Seller's employee acknowledges use of prescription drugs, or if the drug screening results are positive for prescription drug use, Seller shall not assign such employee to perform work pursuant to any order unless, (1) Seller confirms that there are corresponding documented medical authorizations for use of such prescription drugs; and (2) Seller determines, using appropriately qualified resources, that the employee is fit to perform the work under any order and free of any impairment that would prevent the employee from performing competent and safe work under any order.

- (c) Seller's employees shall be retested and recertified to be free of these unauthorized drugs after a six (6) month absence from performing work on Purchaser's or its customer's premises.
- (d) Seller shall comply with any and all federal, state, or local anti-drug, alcohol abuse and /or drug testing statutes or regulations for any of its employees who may be covered by such statutes or regulations. Seller shall have, retain, and be able to provide to Purchaser, upon request, an approved drug and alcohol misuse prevention plan.
- (e) Seller shall conduct a criminal convictions records investigation of its employees before they are assigned to work on any order that requires the employee to enter Purchaser's premises or the premises of a customer of Purchaser (hereinafter collectively "GE Premises"). A Criminal Convictions Records Investigation shall consist of a records search (documented by a written report retained by the Seller of the results of such search) by the appropriate law enforcement or other local or state agency in each location in which the employee has resided and worked in at least the five years preceding the date of the criminal conviction records investigation. Purchaser reserves the right, at its discretion, to request from Seller documentation of the completion of a criminal convictions records investigation for any employee assigned to work on Purchaser's or its customer's premises. Seller's failure to have completed a criminal convictions investigation of any of its employees in accordance with this clause shall be grounds for immediate expulsion of the Seller and its employees from Purchaser's or its customer's premises and Purchaser shall have the right to terminate all orders for default.

- (f) Seller shall not assign any person to perform work on Purchaser's or its customer's premises that has been:
 - (i) convicted of murder; manslaughter; kidnapping; rape; sexual battery or gross sexual imposition; domestic violence; assault; arson; robbery; burglary; theft; embezzlement; fraud; drug possession, manufacturing or trafficking.
 - (ii) convicted as an adult of any felony, convicted of more than one misdemeanor in the previous two years, or convicted of more than five misdemeanors in the previous five years.
- (g) Purchaser may require Seller's employees, before entering Purchaser's or its customer's premises, to complete a criminal convictions questionnaire. In the event that Purchaser has grounds to believe that an employee of Seller has falsified the criminal convictions questionnaire in any way, such person shall not perform work on Purchaser's or its customer's premises.
- (h) Seller shall include this clause "Drug Testing and Security Checks" in any subcontract placed pursuant to a Purchaser order with a subcontractor who will perform work on Purchaser's premises.

14. **INSPECTION:** All Goods or services including, but not limited to, engineering and design/development work, shall comply with all applicable specifications and shall be subject to inspection and test by the Purchaser and its customer at all times and places, including visits during the period of manufacture.

If any inspection or test is made on the premises of Seller or its supplier, Seller, without additional charge, shall provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties. All inspections and tests on the premises of Seller or its supplier shall be performed in such a manner as not to unduly delay the work.

Purchaser's failure to inspect and accept or reject Goods or services shall neither relieve Seller from responsibility for such Goods or services as are not in accordance with the order requirements nor impose liabilities on Purchaser therefor. The inspection or test of any item by Purchaser shall not relieve Seller from any responsibility regarding defects or other failures to meet order requirements which may be discovered subsequently.

For engine components and other ancillary components, Seller shall provide and maintain quality control, inspection, and process control systems acceptable to Purchaser and its customer in accordance with Purchaser's then current specification S-1000 and S-1002 for supplier quality product requirements, as applicable. "Supplier Quality Requirements Manual, AEBG Marine and Naval Products Dept. Gear Plant #2 – Lynn MA 01910" (hereinafter referred to as the "Marine Quality Manual") shall apply for marine gearing. Records of all inspection work by Seller shall be kept complete and available to Purchaser and its customer.

15. **RECORD RETENTION REQUIREMENTS:** Seller shall maintain, for four (4) years, purchase order files for supplies, equipment, material, or services including supporting documentation and back-up files including, but not limited to, invoices and memoranda, e.g., memoranda of negotiations showing the principal elements of price negotiations. Product acceptance records, including inspection records, material certifications, and acceptance test records, shall be retained in accordance with FAR subpart 4.7 and Purchaser's then current specification S-1000 for Engine Parts or the Marine Quality Manual for marine gearing.
16. **STATE SALES TAX:** The following state sales and use Tax ID numbers are applicable for Goods delivered into the States of Ohio and North Carolina:

Ohio	DPP# 98-000-604
North Carolina	DPP# 457

The states of North Carolina and Ohio have issued to Purchaser the direct payment permits indicated above, and Purchaser is exempt from state sales tax in Ohio and North Carolina. Therefore, Purchaser shall not be invoiced or charged by Seller for sales tax on the sale of Goods in Ohio and North Carolina, and Purchaser agrees to maintain adequate records of all purchases and pay tax on any taxable items directly to the treasurer of the respective states.

In the event of a conflict between this Article 16 and any other provision of this purchase order, this Article 16 shall prevail.

17. **RELEASE OF INFORMATION:** No public release of information regarding this purchase order shall be made without the prior written approval of Purchaser. Purchaser's written approval, if granted, will be subject to any "Acknowledgement of Sponsorship" clause in Purchaser's Government Prime Contract.
18. **PARTS COMPLIANCE AND MATERIALS TEST CERTIFICATION:** By acceptance of this purchase order, Seller certifies that, except as specifically stated to the contrary on case records per Purchaser's then current specification S-1000 for Engine Parts or the Marine Quality Manual for marine gearing, Goods supplied shall conform to all requirements of this purchase order, including referenced specifications in effect as of the date of order placement or as modified pursuant to the "CHANGES" clause, and that Objective Evidence* of conformance and specifications required by this purchase order is on file and available for examination by Purchaser.

*"Objective Evidence" shall mean any statement of fact pertaining to the quality of a product or service based on observations, measurements or tests which can be fully verified. Evidence must be expressed in terms of specific quality requirements or characteristics. These characteristics are identified in drawings, specifications, and other documents which describe the item, process, or procedure.

19. **NONDISCRIMINATION IN EMPLOYMENT:** Seller will not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability or national origin. Seller shall comply with Executive Order 11246, which is incorporated by reference.
20. **INTELLECTUAL PROPERTY INDEMNITY:** Seller shall indemnify and save Purchaser and its customers harmless from and against any expense or liability, including costs, fees and damages, arising out of any claim, suit or proceeding that the manufacture or furnishing of Goods and/or services under this purchase order, or the use of such Goods (without modification or further combination) or sales of such Goods constitutes infringement of any patent, trade secret or copyright. If an injunction should issue, Seller shall procure for Purchaser and its customers the rights to continue using said Goods, or modify them in a manner acceptable to Purchaser so they become non-infringing, or with the written approval of Purchaser, remove said Goods and refund the purchase price.
21. **STANDARD TERMS OF SETTLEMENT (STS):** Subject to the early payment terms described in this clause, Purchaser shall issue payment to Seller in accordance with its standard terms of settlement -- net (payment of the undiscounted invoice amount) sixty (60) days. Settlement must be paperless. Seller must provide banking information to establish Electronic Funds Transfer ("EFT") for U.S. suppliers and wire transfer for non-U.S. suppliers.

Purchaser reserves the right to settle invoices with Seller using Purchaser's accelerated payment program. Seller agrees to accept, in exchange for Purchaser's payment in fifteen ("15") days, the invoice amount discounted by 1.5%.

Funding for accelerated payment of invoices under the Purchaser accelerated payment program will be provided by General Electric Capital Corporation ("GECC"). In the event that Purchaser chooses to settle an invoice pursuant to the accelerated payment program, the following shall occur: (1) title to the Goods which are being delivered shall pass directly to GECC consistent with Article 5 above; (2) once title to the Goods has passed to GECC, GECC will immediately and directly transfer title to Purchaser; and (3) any and all of the Seller's obligations under this purchase order, including Seller's representations and warranties, shall extend to and benefit Purchaser as if title passed directly to Purchaser. For purposes of this article, the number of days within which Purchaser shall issue payment for invoices shall be counted as follows:

(1) For receivable material: From the latest of (a) the manufacturing required date as identified on the part schedules report, (b) the material received date as identified in Purchaser's computer system, or (c) the invoice date; and,

(2) For non-receivable material and/or services: From the invoice date; invoices for services must be dated no earlier than the last day of the period of time during which services that are the subject of the invoice were provided

22. **EXPORT AND INTERNATIONAL TRAFFIC-IN-ARMS REGULATIONS:** Seller agrees to comply with all export regulations and the International Traffic-in-Arms Regulations ("ITAR") including, but not limited to, parts 122 entitled

"Registration of Manufacturer and Exporter" and 130 entitled "Political Contributions, Fees and Commissions." In the event Seller is supplying defense articles hereunder, Seller agrees to maintain a valid and current Office of Defense Trade Controls ("ODTC") registration. Seller shall provide its ODTC registration name, number and expiration date to Purchaser and promptly advise Purchaser of any updates or changes to such information, in the format requested by Purchaser. With respect to defense articles and services furnished hereunder, Seller certifies that it has not paid, offered or agreed to pay, and agrees that it shall not pay, offer or agree to pay, for the purpose of soliciting, promoting or otherwise to secure the sale of defense articles and services to or for the use of the armed forces of an international organization or non-U.S. Country, any (i) fees or commissions in excess of \$1,000 or (ii) political contribution (including any gift, rebate or payment of expenses) to a non-U.S. person or entity.

If Seller intends to conduct work for Purchaser in a foreign country, including but not limited to the use of Seller's own facility outside of the U.S. or the use of a foreign affiliate or unrelated subcontractor, Seller must provide advance written notification to Purchaser. Seller is responsible for compliance with applicable export control laws and regulations and for obtaining all export control licenses required by law or requested by Purchaser.

23. ENVIRONMENTAL MATTERS:

- (a) Hazardous Substances. Seller warrants that, except as specified on the face of the purchase order, none of the chemical substances constituting or contained in the Good(s) sold or otherwise transferred to Purchaser under this order are "hazardous substances" as defined in the Comprehensive, Environmental Response, Compensation and Liability Act ("CERCLA"), and Seller agrees to supply Purchaser with any and all required Material Data Safety Sheets.
- (b) Asbestos. Seller agrees to provide Goods which are free of asbestos unless Seller has notified Purchaser in advance and has obtained Purchaser's prior written consent to the use of asbestos. Seller agrees to include this clause in any Subcontracts issued hereunder. If Seller intends to rely upon any drawing which requires or permits the use of asbestos, written notice to, and approval by, the cognizant buyer must be obtained prior to such use.
- (c) Use of Cadmium. Unless specifically defined as a requirement by GEAE engineering drawings or specifications, the use of cadmium plating or nickel cadmium plating is strictly prohibited in the manufacture of this Good. The use of cadmium plating or nickel cadmium plating is strictly prohibited on all tooling, fixturing, and test equipment that is used for manufacturing, assembly, test, or material handling of the Good unless Seller has notified Purchaser in advance and has obtained its prior written consent to such use. Approval shall not be granted where there is a potential for Seller's Good to come into contact with titanium containing items.
- (d) Ozone Depleting Substances ("ODS's"). Supplier agrees to comply with the U.S. Clean Air Act Amendments of 1990 regarding warning statements on products manufactured with ODS's, products containing ODS's, and containers containing ODS's. The need for warning statements, the specific wording of statements, and the placement of statements shall be in accordance with requirements of the U.S. Environmental Protection Agency implementing regulations. Any usage of Class I ODS's is subject to evaluation and approval of Purchaser or the U.S. Government. For purchases of materials to be supplied to the U.S. Government, Seller shall also comply with any labeling requirements arising under the Federal Acquisition Regulation ("FAR"). Supplier will eliminate the use of Class I ODS's to the maximum extent possible.
